

**New student ID numbers and e-mail**

In order to protect the privacy and security of Texas A&M University-Corpus Christi students, the University has provided all students with a new ID number and Islander e-mail address. The new Student ID will be used in lieu of social security numbers. The new e-mail address will be a critical component of our ability to communicate with students, especially in emergency situations.

To receive a new Student ID or Islander e-mail account, go to [S.A.I.L.](#) and click on "My Student ID". Then, go to <http://newuser.tamucc.edu> for your new e-mail account. More detailed instructions are available [here](#).
