

Register for classes via the SAIL Student Portal

Barring no holds on your student account, students are able to register for classes online via the SAIL Student Portal. Please refer to all available course schedules via the View Class Schedule link, located in the top, left-hand column of the SAIL home page to verify course availability and meeting times.

NOTE: It is recommended that students meet with their academic advisor at least once a semester to ensure they are taking the appropriate classes towards their specific degree program. If you are unsure of who your advisor is, please contact the College under which your major is housed for more information.
