

Texas A & M University – Corpus Christi Sport and Recreation Facility Scheduling Events Policies and Procedures

Texas A & M University – Corpus Christi departments and recognized student organizations may request reservations for special events. Scheduling for such events is dependent upon available space, impact to existing programs, and the scope and nature of the event itself. Recreational Sports assumes responsibility for scheduling of campus sport and recreation facilities. Some facilities have limited availability for reservation due to the large number of on-going programs and/or the high-risk status of the facility.

To Request Facilities

General: A Facility Request form must be completed, signed and submitted to the Recreational Sports Department, Field House 104. Deadlines for priority consideration are April 1 for the fall semester, October 1 for the spring semester, and February 1 for the summer semester. Once academic classes are scheduled, requests received after the deadlines will be handled on a first come, first served basis. **Requests received less than one week prior to the date of the event will not be considered.** Facility requests for social functions or large sporting events must be submitted at least four weeks in advance to process work requests and notify facility users.

Recognized Student Organizations and University Departments must observe University and System policies and procedures in conducting these events.

Review and Notification

1. All requests will receive a written or electronic response.
2. Requests become confirmed upon completion of a written “Facility Request Confirmation,” mailed, or emailed from Recreational Sports to the authorized representative of the requesting department or group.
3. Facility requests will be reviewed and confirmed one month after the deadline for each semester or on a first come first served basis after the deadlines.
4. Please note that submitting a request does not guarantee confirmation.
