Dear Parents and Guardians,

We are now in full throttle this semester and students are beginning to experience the academic challenges of college. As your students begin to prepare for mid-terms, encourage them to utilize CASA services for academic assistance. We would like to ensure our students that we are here for the academic success.

~The FISA Team Members

Hello Parents,

We are now in the seventh week of the semester and many activities are happening at FISA. This month, we will have two workshops for students as well as a movie social and Halloween Costume contest. We do these activities so that students can spend a little time to unwind and relax amongst their peers. We will post pictures of the events on Facebook for all to see and enjoy. So please, click the Facebook link and like our page. As always, we are here for you, we are here for your student. Please contact us if you have any questions or concerns. ~Roman

Services provided by CASA

- Tutoring
- Supplemental Instruction
- Writing Center
- Academic Collegiate Excellence
- Academic Success Coaching
- Texas Success Initiative

Please visit casa.tamucc.edu for additional information.

Greetings Parents,

We are glad to have your student with us this semester. Every year we are amazed by the dedication and hard work our students put in toward their academic success.

Academic Advising

Parents,

It is that time of year again when students must meet their academic advisor and register for classes. Freshman student can register online and in person on November 2, 2018.

At FISA, we encourage students to meet with their academic advisor before registering. Please encourage your student work with their advisor to design a Spring Schedule. This will help to develop a schedule according to their degree plan.

Each College at the university has academic advisors to help your student. For more information, please click a link below.

- College of Business
- College of Education and Human Development
- College of Liberal Arts
- College of Nursing & Health Sciences
- College of Science & Engineering

Community Service  
FISA Student Orientation

Students are encouraged to attend FISA workshops discussing important topics such as financial aid, career services, and applying for internships.

Students had a great time attending FISA’s Orientation. It was great to meet each and every one of you! Let us have a great semester!
