First Year Students,

Do you want a chance at winning an iPod Shuffle? Read this message to find out how.

The University Core Curriculum Program (UCCP) invites you to participate in evaluating the First Year Learning Communities Program. The survey instrument for student evaluations is available until 4 pm, 5/3/2005 at:

https://pie.tamucc.edu/inq_sur/1st_Year_CORE/firstyr_eval.html

Students successfully completing the survey (and this includes entering a valid social security number) are eligible to win an iPod shuffle. One first-year student, from those successfully completing the survey with a valid social security number (SSN) will be selected at random as the winner of the iPod shuffle. You can only win if you complete the survey. Students who complete the survey more than once will be disqualified.

The winner will be contacted via their e-mail address from SAIL (http://www.tamucc.edu/~admiss/sailweb/index.html). Make sure the e-mail address you have in SAIL is correct. The winner will be selected from the list of valid SSNs. The SSNs will be entered into an Excel spreadsheet, and then one number will be selected using the Sample Dialog Box. The winner will be announced by June 15, 2005 and will be notified by e-mail. In the event we are unable to contact the winner within 3 weeks, another number will be selected. The name of the winner will also be announced on the First-Year Learning Communities homepage (http://firstyear.tamucc.edu/wiki)

If you have any questions please contact the UCCP office at 825-2150.
